

*"Dans le seul but de pouvoir lire ce texte."
—Alexandre Grothendieck*

Education

- 2023 - Now **University of Alberta**, Edmonton, Canada.
PhD Candidate in Pure Mathematics
Supervisor: *Prof. Nikita Karpenko*
- 2020 - 2022 **University of Victoria**, Victoria, Canada.
Master of Science in Mathematics
Supervisor: *Prof. Stephen Scully*
- 2016 - 2020 **Central China Normal University**, Wuhan, China
Bachelor in Laws; Bachelor in Mathematics

Research Interests

Algebraic Geometry; Motivic Cohomology; Motivic Homotopy Theory; Intersection Theory.

Publications

- Jul, 2026 Guangzhao Zhu; Stephen Scully,
Rationality of Cycles Modulo 2 On Products of Generically Smooth Quadrics in Characteristic 2, accepted by
Journal of Pure and Applied Algebra. <https://arxiv.org/abs/2510.22502>
- June, 2026 Guangzhao Zhu; Nikita Karpenko,
Artin Shapes, accepted by
Pacific Journal of Mathematics. <https://arxiv.org/abs/2411.11800>
- May, 2025 Guangzhao Zhu; Nikita Karpenko,
Pullback and Weil transfer on Chow groups,
Indagationes Mathematicae. <https://doi.org/10.1016/j.indag.2025.05.012>

Preprints

- May, 2026 Guangzhao Zhu,
Weil restriction, Normal bundles and Motivic Thom Spaces, submitted to
Canadian Mathematical Bulletin. <https://arxiv.org/abs/2602.09215>
- Mar, 2026 Qi Ge; Guangzhao Zhu,
Weil Restriction and the Motivic Cycle Class Map, submitted to
Journal of Pure and Applied Algebra. <https://arxiv.org/abs/2602.09215>

Teaching Experience

- Conferred Certificate **Foundations of the Graduate Teaching and Learning (GTL) Program**, University of Alberta, 2025
- 2023-2026 **Graduate Teaching Assistantship**, undergraduate courses of calculus, linear algebra, differential equations and discrete mathematics in University of Alberta
- 2020-2022 **Graduate Teaching Assistantship**, undergraduate courses of calculus and linear algebra, differential equations and discrete mathematics in University of Victoria

Seminar and Conference

- 2026 **Seminar on Moduli of Varieties**, University of California, Berkeley
- 2026 **Alberta Mathematics Dialogue**, MacEwan University
Report: *Shadows of Norm Functors on Unstable Motivic Homotopy Category*.
- 2025 **Seminar on the Intersection Theory**, University of Alberta
- 2024 **Alberta Graduate Mathematics and Statistics Conference**, University of Alberta
Report: *Motivic Decomposition of Singular Quadrics*.
- 2019 - 2020 **Seminar on Representation Theory of Finite Group** Central China Normal University
- 2018 - 2019 **Seminar on Number Theory** Central China Normal University

Awards and Scholarships

- 2023 Josephine Mitchell Scholarship, UOA(\$5000 CAD)
- 2022 Graduate Award, UVic(\$1500 CAD)
- 2021 Graduate Award, UVic(\$3500 CAD)
- 2020 Graduate Award, UVic(\$3500 CAD)
- 2020 Graduated with outstanding Dissertation
- 2017-2020 Elite-Undergraduate Training Program($\leq 1\%$), CCNU
- 2018-2019 Outstanding Undergraduate Academic Scholarship $\times 2$, CCNU(\$300 CAD $\times 2$)
- 2018 "Gao Yuan" Scholarship, CCNU(\$600 CAD)
